### Sweet Potato Caramel Meringue Pie

**Serves 8-12 \$18.50**

Locally grown and harvested sweet potatoes are freshly roasted and pureed with a blend of harvest spices and pure, rich cream to create the perfect pie filling – flavorful, but not overly sweet. Each pie is baked to perfection and cooled. We then pipe in a swirl of our decadent, house-made caramel.

Finally, the pies are topped with toasted meringue.

This treat is sure to become a new Thanksgiving tradition.

### Vanilla Caramel Mixed Nut Pie

**Serves 8-12 \$18.50**

A flavorful blend of toasted almond, walnut, pecan and macadamia nut is layered over our delicious vanilla caramel filling and baked in our famous shortbread crust. The result is a rich, satisfying alternative to pecan pie.

Serve with a dollop of fresh whipped cream or good-quality vanilla ice cream.

### Sour Cream Apple Pecan Praline Crumb Pie

**Serves 8-12 \$18.50**

Layers of beautiful local apples, dressed with a touch of sugar and spice, are piled high and deep into our buttery piecrust and baked with sour cream custard.

Delicate vanilla crumb and toasted pecan praline are sprinkled onto each pie.

### Pumpkin Black Currant Brioche Bread Pudding

**Serves 8-12 \$18.50**

Tender, locally harvested pumpkins are roasted to perfection and blended with harvest spices and vanilla egg custard.

House-made brioche bread cubes form the base for the pudding, which is dotted with sweet, black currants and baked until golden brown.

This pudding is served warm with a spoonful (or two!) of rum hard sauce (provided with each pudding). Warming instructions included.
